Help “Reinvent” State Government

Public Meeting of the State Government Restructuring and Operations Review Commission to be Held in Manchester

The State Government Restructuring and Operations Review Commission will be holding a public hearing at the **Manchester Community Library on Tuesday, October 11th, from 6:00 PM to 7:30 PM.**

The Commission was charged by the 2015 General Assembly to identify opportunities to increase State government efficiency and productivity in order to reduce spending trends. The Commission plans to hold four hearings statewide to listen to ideas Vermonters may have about “reinventing” state government.

The three member “Blue Ribbon Commission” is chaired by Vermont Foodbank CEO John Sayles. His fellow members on the study committee are Paul Costello, Executive Director of the Vermont Council on Rural Development and former Manchester Town Manager and State Representative Jeff Wilson.

The Commission plans to issue its final report by mid-November.
