**INTERAGENCY COMMITTEE ON ADMINISTRATIVE RULES (ICAR)**  
**AGENDA**

**Monday, December 11, 2017, 2:00 p.m.**  
**Pavilion 5<sup>th</sup> Floor Conference Room**

- Welcome
- Review and approval of the minutes from the November 13, 2017 meeting.
- Note any additions or deletions from the agenda.
- Public comment
- Presentation of the following proposed rules:
  1. Vermont Criminal Justice Training Council Rules & Regulations, Vermont Criminal Justice Training Council
    - a. The rules govern how the Council operates relative to its composition and provide standards for all levels of law enforcement training.
  2. Services to Incapacitated Inebriates, Agency of Human Services, Department of Health
    - a. Statutory amendments and systematic changes have rendered the rule redundant and obsolete. This rule outlines specifics regarding the detention of individuals who are inebriated in public. Sections 1, 2, 4, 5, 6, 7, and 8 of this rule are now explicitly stated in 18 V.S.A. § 4808 - rendering them redundant. Section 3 is obsolete, as the services once provided by Alcohol Crisis Teams are now furnished through other substance abuse providers, which are licensed under the Substance Abuse Treatment Certification Rule.
  3. Graduated Sanctions for Violations of Probation, Agency of Human Services, Department of Corrections
    - a. This rule establishes guidelines for the DOC's imposition of graduated sanctions in response probationers' and youthful offenders' violations of their probation conditions. Graduated sanctions provide the DOC an alternative to seeking revocation of probation in response to probations violations. When non-compliant probationers and youthful offenders can still be safely supervised in the community, graduated sanctions provide a mechanism for the DOC to respond to probation violations without reincarceration.
  4. Uniform Environmental Administrative Procedure and Standard Processes for Notice and Comment on Environmental Permits, Agency of Natural Resources
    - a. This rule proposes to implement Act 150 of 2016 which required standardized notice and comment procedures for ANR permits. This rule also provides procedural guidelines for various administrative processes in Title 3 including petitions for rulemaking, declaratory rulings, and contested case proceedings.
