Pavilion 5th Floor Conference Room

- Note any additions or deletions from the agenda
- Public comment
- Note: The Emergency Rule Providing Unemployment Benefits to Government Employees from the Department of Labor was agreed upon by Deputy Secretary/Chair Brad Ferland on 1/25/19.
- Presentation of the following proposed rules:
 1. Regulated Drug Rule, Department of Health
 - a. This rulemaking adds new drugs and other chemical substances that are illegal or judged to be potentially fatal or harmful for human consumption unless prescribed and dispensed by a professional licensed to prescribe or dispense them. Examples include acetyl fentanyl, a lethal opioid, and newly emerged synthetic recreational drugs. The rule also establishes benchmark dosages for certain drugs to provide a baseline for use by prosecutors to seek enhanced penalties for possession of higher quantities of the drug. The rule simplifies some language for clarity.
 2. Step Ahead Recognition System (STARS) Standards, Vermont Agency of Human Services, Department for Children & Families
 - a. The proposed rule removes "Regulatory Compliance History" as a category in which a regulated child care program can be awarded points under the Step Ahead Recognition System (STARS). The rule also eliminates the application process for being recognized as a one-star program when the regulated program's licensing status is in good regulatory standing.
 3. Annual Financial Reporting Regulation 1-2009-06 (REV), Department of Financial Regulation
 - a. This rule amends the Annual Financial Reporting Regulation to implement the National Association of Insurance Commissioners (NAIC) Model Rule 205 (MDL 205), as required by 8 V.S.A. § 3578a.
- Next meeting date: Monday, March 11, 2019 at 2:00 p.m.
