The rule clarifies how the value of a replacement vehicle is determined in the event that the claimant's vehicle is determined to be a total loss. The rule is updated to allow claimants to contest an insurer's cash settlement offer using an arbitration process administered by the Insurance Division. The proposed rule also codifies requirements for matching of replacement items and parts for partial losses.
 2. Health Eligibility and Enrollment (HBEE), Agency of Human Services
 - a. This proposed rulemaking and the six that are being filed separately but at the same time (HBEE Parts 1-5, 7-8 – all parts except part 6) amend HBEE which was last amended effective January 15, 2017. The eight parts of HBEE are as follows: General Provisions and Definitions (Part 1), Eligibility Standards (Part 2), Nonfinancial Eligibility Requirements (Part 3), Special Rules for Medicaid Coverage of Long-Term Care Services and Supports – Eligibility and Post-Eligibility (Part 4), Financial Methodologies (Part 5), Small Employer Health-Benefits Program Rules (Part 6), Eligibility and Enrollment Procedures (Part 7), and Fair Hearings and Expedited Administrative Appeals (Part 8).
