- Presentation of the following proposed rules:
  - 1) Recovery Services Organization Certification Rule, Vermont Department of Health
    - a) This rule establishes a certification process and provides certification requirements for Recovery Service Organizations that receive state or federal funding for the provision of recovery support services from the Department of Health (Department).
  - 2) Ambulance Services, Agency of Human Services
    - a) This Health Care Administrative Rule sets forth the criteria for coverage of ambulance services under Vermont's Medicaid program. It updates the language to include coverage of treatment without transportation and add additional provider types who may provide services under an enrolled ambulance provider to the Health Care Administrative Rules.
  - 3) Beneficiary Protections and Responsibilities, Agency of Human Services
    - a) This rule sets forth Beneficiary Protections and Responsibilities under Vermont Medicaid. It revises and will replace current Medicaid covered services rule 7101 Medicaid Benefit Delivery as part of the sequential adoption of Health Care Administrative Rules designed to improve public accessibility and comprehension of the numerous rules concerning the operation of Vermont's Medicaid program.
  - 4) Marriage Ceremony For Incarcerated Individuals, Department of Corrections
    - a) Due to the update in 18 V.S.A. § 5142, raising the legal age of marriage to 18 regardless of parental consent the Vermont Department of Corrections(DOC)needs to amend the "Inmate Marriage Rule" to no longer allow marriages of incarcerated individuals who are under the age of 18. It is not within the DOC's authority or mission to determine if someone is eligible to get married. The proposed rule would require the incarcerated individual or their intended spouse to get the marriage license and submit a copy to the DOC along with

a request for a marriage ceremony. Then the DOC will then review the request and approve the marriage ceremony provided there are no legitimate penological interest concerns.
